SUMMARY

As a detail-oriented and enthusiastic Front-End Developer, I have [1 year] of experience in designing and implementing responsive web applications. My proficiency in HTML, CSS, and JavaScript is complemented by a strong focus on user experience and accessibility. I am skilled at collaborating with cross-functional teams to deliver web solutions that prioritize user needs and satisfaction. I am continuously learning and keeping up-to-date with the latest web development trends and technologies to ensure the delivery of high-quality, user-centric web solutions.
